See [Appendix I](#) for driving directions to the Westin Montréal from Highways 20 and 40, as well as from Pierre Elliott Trudeau Airport.

Note: Westin Montréal is designed to accommodate the needs of people with reduced mobility. Exhibitors who have specific needs in this regard must advise the event organizers.

TRADESHOW ROOM AND DATES

The Xplor 2022 tradeshow is located on the 8th floor of the Westin Montréal in La Grande Place room. Please note that the opening cocktail will be held in the Pub Xplo (located on the third floor) on Tuesday, October 4, starting at 5:00 p.m. All exhibitors are invited to attend.

Thursday, October 6, 2022	9 a.m. to 4 p.m.

SETUP

Date	Hours
Tuesday, October 4, 2022	8 a.m. to 6 p.m.

Given the limited space and heavy traffic at the loading dock, a schedule will be provided one month before the event. It will be important to respect this schedule to ensure smooth access to the showroom.

The installation of your booth must be completed no later than Tuesday, October 4 at 6 p.m.. All unoccupied stands at this time will be set up by the exhibition management.

If you need an extra setup day, please reach out to Marc-André Brazeau by email at aemq-exposition@agoracom.qc.ca as quickly as possible.

DISMANTLING

Date	Hours
Thursday, October 6, 2022	4 p.m. to 8 p.m.

EXHIBITORS' ARRIVAL

Setup takes place on **Tuesday, October 4 between 8 a.m. and 6 p.m.**

Exhibitors are invited to unload their materials and drop them off at their booths and then proceed to registration. Exhibitor registration is located at the registration booth on the 3rd floor.

Deliveries through **messengers/courier will not be accepted** at Westin Montréal entrances and must be delivered to the loading dock.

If you bring your own equipment and **can carry it easily in your arms, without a trolley, in one trip**, you can use Westin Montréal's main entrances.

LOADING DOCK

Access to the hotel's loading dock is located on Des Fortifications Street, between St-Antoine and Notre-Dame Streets, accessible from St-Pierre Street. Please find in [Appendix II](#) a map for Westin Montréal's loading dock access.

LOADING DOCK ACCESS

Date	Hours
Tuesday, October 4, 2022	8 a.m. to 6 p.m.
Thursday, October 6, 2022	4 p.m. to 8 p.m.

IMPORTANT:

There is no ramp or elevated dock at the loading dock. It is imperative that the delivery truck has its own ramp or tailgate to unload the material.

Parking is prohibited at the loading dock.

FREIGHT ELEVATOR

The dimensions of the freight elevator are 18'7" long by 7'8" wide by 9' high. On the 8th floor, the freight elevator door has easy access to the showroom.

1. FOR EXHIBITORS WHO SEND SMALL SHIPMENTS DIRECTLY TO WESTIN MONTRÉAL (VIA PUROLATOR, UPS, ETC.)

Please refer to the label example ([see p. 14](#)).

Westin Montréal will accept material only as of Monday, October 3, 2022, at 12 p.m. (noon). Any exhibitor's material received before that date will be refused.

1.1 If you are onsite at Westin Montréal to pick up your package(s) when delivered:

Upon arrival of the delivery person at the loading dock, the agent at the gate will direct them in the exhibition hall. The delivery person will then be directed to your booth by the staff in place so you can receive your boxes.

1.2 If you are not onsite at Westin Montréal to pick up your package(s) when delivered:

The delivery person will be directed to the staff of the tradeshow, who will take care of your boxes. To retrieve it, please get to the information booth (in front of the 8th floor elevators) with an ID. Parcels received will be kept there.

The information booth will be open at following hours:

Monday, October 3:	12:00 p.m. — 5:00 p.m.
Tuesday, October 4:	8:00 a.m.— 5:00 p.m.
Wednesday, October 5:	7:00 a.m. — 5:00 p.m.
Thursday, October 6:	9:00 a.m. — 4:00 p.m.

2. FOR EXHIBITORS WHO ARRIVE WITH THEIR MATERIAL

2.1 If you can easily carry your material in your arms, without a cart, in only one trip:

If you are arriving by car, you may use the Westin Montréal parking garage. Valet parking is mandatory and is offered at a rate of \$39/day. You can also use the [Indigo parking lot of Quartier International, located at 249 Saint-Antoine St. West](#) right across from the Westin Montréal entrance. Once in the hotel, you can walk to the showroom—8th floor. Please note that there are several escalators and elevators inside the Westin Montréal, between the entrance and the showroom.

2.2 If you cannot carry your material in your arms and need a cart or a forklift:

Please drive to the loading dock. Please note that parking is not permitted at the loading dock. Only unloading and loading are allowed, and any offender will have his vehicle towed at his expense. During setup and dismantling, each exhibitor has only the time necessary to unload and load their vehicle. Once your equipment has been removed, you will have to move your car in the Westin Montréal parking lot or in the surrounding area. For this reason, we recommend a minimum of two (2) people to manage your equipment during setup and tear-down, so that there is one driver and one person to maneuver the equipment to the show floor.

If you need a four-wheel cart, they are available at no charge at the loading dock. Handling with a pallet jack will be handled by the Agora Opus 3 team. PLEASE NOTE THAT THERE WILL BE NO FORKLIFTS ON SITE.

MATERIAL HANDLING AND STORAGE

For reasons of efficiency and security, the Agora Opus 3 logistic team is responsible for the mechanical handling and storage of the exhibitor's material. This procedure facilitates loading dock operations and helps to avoid delivery delays.

No exhibitors are allowed to use their own forklifts or electric pallet trucks at the Westin Montréal.

If you anticipate significant handling needs, please contact the Agora Opus 3 team promptly so that we can make the necessary arrangements to facilitate your arrival at the Westin Montréal.

Any exhibitor who arrives at the loading dock with his own vehicle can, if he wishes, handle his material himself with a four-wheeled cart that will be provided by the Centre. Handling with a pallet jack will be done by the Agora Opus 3 team.

STORAGE

- Storage of empty containers during the event is mandatory.
- This service includes storage labels, available free of charge at the information desk or at the loading dock, to identify empty containers. Please write the booth number in large letters.
- For security reasons, exhibitors are not allowed to do their own storage.
- Empty boxes and containers will be moved to the storage area by the Agora Opus 3 team and returned to the booth at the end of the event.
- **IMPORTANT: In accordance with the City of Montréal Fire Department regulations, no cardboard boxes or empty shipping crates will be tolerated inside or behind the booth.**

DISMANTLING PROCEDURE

Exhibitors who handle their own material during dismantling and use their own vehicle must:

1. Wait for the Agora Opus 3 staff to bring his empty containers to his booth.
2. Pack his material.
3. Bring his complete equipment (not only a part) to the loading dock using a manual cart or ask for the assistance of a handler or a pallet truck operator.
4. Notify the dock supervisor that your complete equipment is ready to be loaded. You will then be given an access coupon.
5. Leave your equipment on the dock and go get your vehicle.
6. Line up at the entrance to the loading dock and present your coupon to the traffic officer, who will give you access to the loading area.
7. Park your vehicle and proceed quickly to load your vehicle.

IMPORTANT:

At the end of the scheduled show dismantling hours, any materials not picked up by the exhibitor's carrier or courier service will automatically be picked up by the official event carrier. **All charges will be billed to the exhibitor.**

IN CASE OF EMERGENCY – WESTIN MONTRÉAL

THE BASICS IN CASE OF EMERGENCY

To ensure a safe environment for its customers, the Westin Montreal has an emergency plan in place and staff are trained accordingly. Your cooperation is valuable in these circumstances. We share in this document, the procedures to follow to ensure your safety. We thank you for reading it.

The Westin Montreal is a very safe building for its occupants. The buildings are protected by a sprinkler system and a fire alarm system alerting guests in case of evacuation. In addition to the personnel trained in the event of evacuation, a fire brigade is formed and moves into action 24/7 as soon as the situation requires it. Please follow their directions and instructions. Finally, please note that the nearest fire station is located about 500 meters from the hotel and that the Montreal Police Department and the Urgences-Santé paramedics respond in short delays in case of emergency.

FOR ANY EMERGENCY

For any emergency requiring the assistance of the Montreal Police Department (SPVM):

- Dial (9-911) directly from your room; or;
- Use a black phone in any common area of the hotel, which will redirect you to the attendant for immediate assistance.

Please note that for any 9-1-1 call, a signal is given to the hotel's Service Express Center, which will monitor security personnel or the manager on duty.

IN THE EVENT OF A FIRE

1. If you discover fire or smoke, give the alert by activating the nearest fire alarm and evacuate the building immediately (if presence of smoke, please stay close to the ground);
2. Listen to the instructions issued by the notification system connected to the fire alarm system;
3. Never use elevators in case of evacuation, use the stairs;
4. Follow the instructions of the hotel staff and the fire brigade;
5. Go to the outdoor meeting point located at **PLACE JEAN-PAUL RIOPELLE**.
(Please refer to the diagram below)

Please note that pre-recorded messages will be given in French first and then in English.
